

Title of the Paper in Times New Roman, Bold, 14 point

Author 1, Author 2, ... and Author N
Author Affiliations

Abstract

The abstract must be included between the title and the body of the paper. It must not be on a separate page. Include one extra line between the Author Affiliations and the Abstract. The abstract must be Times New Roman, 12 point, left justified.

Title and Authors

The title must be Times New Roman, Bold, 14 point, centered, and have a minimum 1.5-inch margin to the left and the right edge and 1-inch margin at the top. The Title Include two extra lines between the Title and the Authors. Do not include an extra line between the Authors and the Affiliations. The Authors and Affiliations must be Times New Roman, Bold, 12 point.

Margins, Length, and Text

The paper must be in a one-column, single-spaced format and the text must be. The paper length must be between 5 pages and 15 pages.

The text must be Times New Roman, 12 point, left justified. A 1-inch margin must be included on all pages (top, bottom, left, and right). An extra line must be included between headings and text and between paragraphs.

Headings

Headings are not required, but they may be included. Include one extra line before and after a heading. Headings must be Times New Roman, bold, 12 point, left justified. Headings must not be in all capitals.

Copyright Notice, Page Numbers, and Footnotes

A Copyright form must be submitted for the paper to be accepted and to appear in the proceedings. The Copyright notice as given below must be included on all pages in the footer.

Proceedings of the 2012 Midwest Section Conference of the American Society for Engineering Education

The Copyright notice must be in Times New Roman, Italicized, 11 point, centered. Do not include a page number on the first page. Page numbers must be included on all subsequent pages and place in the header and be Times New Roman, 12 point, right justified. Do not include any other headers, footer, footnotes, etc. Endnotes may be included after the Bibliography.

Proceedings of the 2012 Midwest Section Conference of the American Society for Engineering Education

Tables, Figures, and Appendices

Tables, Figures and Appendices must fit within the 1-inch margins (all around). Captions and internal text should match the paper font when possible (Times New Roman, 12 point). Tables must be numbered in order of appearance, must include a caption, and be referenced in the text. Figures must be numbered in order of appearance, must include a caption, and be referenced in the text. Appendices must be numbered in order of appearance, be referenced in the text, and must appear after the Bibliography. Figure 1 is an example.
