Call for Papers

2012 ASEE Midwest Section Annual Conference

Rolla, Missouri September 19 – 21, 2012

Engineering educators in the ASEE Midwest Section and other ASEE sections are encouraged to prepare a paper for this regional conference on one or more of the following general topics: The conference solicits a wide scope of topics related to engineering education. Some of the topics of interest include, but are not limited to:

- Novel Classroom Practices
- Innovative Curricula
- E-learning/Blended Course Approaches
- Leadership and Project Management
- Minority and Gender Issues in Engineering
- Continuing Professional Development, Lifelong Learning, Library Practices
- Industry Relations
- Nanotechnology, Biomedical, and Other Emerging Engineering Education Programs
- Educational Aspects of Energy Issues, Economics, and Environmental Sustainability
- Global Engineering
- Student Recruitment and Retention
- K-12 Outreach Programs
- Communication and Ethics in Engineering Education
- Papers in other categories will be considered

Full paper submission opens April 1, 2012 through the conference website:

<http://aseemidwest2012.mst.edu>

The deadline for full draft paper submission is **June 20, 2012**.

Prepare your paper per the formatting directions found in the Author's Kit at the conference website

Papers will be peer reviewed and included in the proceedings archive.
