Call for Student Posters

2012 ASEE Midwest Section Annual Conference

Rolla, Missouri September 19 – 21, 2012

Engineering students (undergraduate or graduate) in the ASEE Midwest Section and other ASEE sections are encouraged to prepare a poster for this regional conference. The student posters division is a new activity and provides a venue to showcase student work. Some of the topics of interest include, but are not limited to:

- Student Senior/Capstone Design Projects
- Student Design Competition Projects, e.g. Steel Bridge, Concrete Canoe, Formula SAE, Solar Car, and Robotics.
- Student Outreach Projects, e.g. Engineers Without Borders
- Student Research Projects
- Papers in other categories will be considered

Each accepted poster and associated short paper should address **Technical Accomplishments and Design Lessons Learned**. The associated papers will be included in the proceedings.

The first author(s) and presenters must be undergraduate or graduate students (*a faculty member may be a secondary author*). The poster process is:

- Abstract (250-500 words) submission deadline of June 20th, 2012
- Notification of acceptance will be August 1st, 2012
- Final poster (pdf) and associated two-page paper by August 15th, 2012.

The deadline for full draft poster abstract submission is **June 20, 2012**. The Student Posters Chair is

Doug Carroll, 2012 Student Poster Chair,
DougCarroll@MissouriState.edu (417) 836-6250

Information on the conference and the Author's Kit is available at the conference website:
